Why MET?

The Need for it

THE PROBLEM

Lack of campus visibility

Lack of transparency in company shortlisting process

Hit by criteria in percentage

Strengths not recognized by company tests

MET provides a way for remove these hindrances faced by the students in getting placed

- College gets visibility to companies associated with us, leading to long-term relationships.
- MET provides easy access to jobs from mass-recruiting companies that do not visit campus. It also helps in providing access to small and medium size companies which visit selective campuses.
- Our reach, scale and commitment has given thousands of people a merit based access to life changing opportunities ensuring full transparency.
- MET helps uncover candidate strengths which improves employability, thus helping colleges enhance their placement record.
