1)Solid waste management :

The prime focus is given to effectively manage solid waste and ensure sustainability. In response to the call given by the **Honorable Prime Minister Shri Narendra Modi, the Swachh Bharat Abhiyan** is part of the green and clean initiative of the college.

- To provide adequate number of trash cans and dust bins all over the campus..
- Bio-degradable wastes are effectively converted to manure inside the campus.
- Our institution discourages uses of plastic; particularly single use plastics in campus.

Date : 08-03-2013.

To,

Karnataka State Bio- fuel Development Board,
BANGALORE.

Sir/Madam,

Sub: Acceptance Letter

The Biogas plant sponsored by Karnataka State Bio fuel Development Board has been delivered by Synod Bio Science without any damage. Plant has been installed successfully in our premises with the supervision of synod techniques.

Thanking you,

Yours faithfully,

(ARTHUR DAVIS. J)

3) Waste recycling system.

- Dry leaves and vegetables are collected, processed and recycled as manure.

The solid waste such as dry leaves and solid food waste from the canteens, hostels are collected in separate bins and it is processed and recycled as manure for the plants and trees in the college and hostel campus.
